## ABOUT ME

My name is Kübra. I am interested in data science and machine learning. My main goal is to always improve.

## EDUCATION AND TRAINING

**2018 – 2022**

### University

Sabahattin Zaim University

**2013 – 2017**

### High School

Yaşar Acar Science High School

## LANGUAGE SKILLS

**MOTHER TONGUE(S):** Turkish

**OTHER LANGUAGE(S):** English | Russian

## DIGITAL SKILLS

### Programming Languages

Programming languages (Python and R program) / Basic knowledge of Java, C, C++, C#

### Technologies

Artificial Intelligence / Machine Learning Explainability

### Databases

SQL server design and development

### Web

HTML5/CSS, Javascript

## CERTIFICATES

- **Programming with Java**
- **Introduction to Data Science with R**
- **Artificial Intelligence and Algorithms**
- **Basic Network Technologies**
- **Python and Tensorflow for Data Science**

## BOOTCAMPS

- **Data Science and Machine Learning Workshop**

## HOBBIES AND INTERESTS

- **Reading philosophy books**
- **Swimming**
- **Camping**
- **Languages**
- **Yoga**
